

Issue 2 Edition: Fall 2016

An Eagle Scout Project at the Hall

Palm Harbor Scout Troop Number 26 occasionally meets in the Ozona Village Hall. One of the scouts, Luke Longen, is a candidate for Eagle Scout, which is the highest honor in Scouting.

Aside from the various merit badges and other requirements, an Eagle Scout is required to perform a community service project. Luke identified improvements to the Village Hall as his project to meet this requirement.

He met with the OVIS Board several times to define the project. As a result of that review, the project was

defined to have three elements. The first element was to replace the Hall sign that although was usable, was in need of replacement due to deterioration. The second element was replacing the landscaping on the side of the Hall with the driveway and the front of the Hall. The new landscaping would be environmentally acceptable and low maintenance. The third element was to replace the side door stairway which was considerably deteriorated. The entire project would be done with volunteer labor and using materials either purchased by OVIS or donated or a combination of purchase with discounts. (It should be noted that Carl Jackson provided some valuable help with respect to project design and drawings.)

OVIS approved the project which was then scheduled for July 30, a Saturday. The project day was a tremendous success with many engaged volunteers. A photograph taken at the project is included in this article. The Hall now has a new sign with a full set of message

Neighborhood Watch Workshop October 25

Ozona has an established Neighborhood Watch program. This program is operated by the Sheriff's Office. This is an outreach program of the Sheriff to assist communities through education and information. Dolly Swallow is the Ozona community contact for this program. Through this program, community members are made aware of things to look out for to keep their community safe. To further that idea, OVIS hosts a workshop each year in the Fall where a representative from the Sheriff's Office comes to the Hall and reviews how people can be informed and participate. That Fall workshop is set for Tuesday, October 25. Deputy Skipper will present the program and then be available for questions and comments from people in attendance. The regular meeting of OVIS is scheduled for 7:00 p.m. that evening with the neighborhood workshop starting with the time certain of 7:30 p.m.. This is always a very informative program and one that is important to ensure that our community continues to be a safe place. Everyone is encouraged to attend. If you cannot attend and would like to be part of the Neighborhood Watch email list, you may contact Dolly at dollys@winntech.net.

NEIGHBORHOOD WATCH

President's Message...

We are now beginning a new year and this is the first edition of the *Ozona News* for the year. We are in the middle of several interesting things. Luke Longen has just completed his Eagle Scout project with improvements to the Hall. There is an article on his project in this newsletter. These improvements were made with volunteer labor which is much appreciated. I am reminded that is how the original Hall was built 116 years ago. The Hall continues to be in good shape primarily due to the tender loving care it had in its construction and now in its ongoing maintenance.

One cool feature of Luke's project is that we now have a sign in front of the Hall with a full set of letters so we can spell our messages correctly and not have to use abbreviations or alternate wording.

In this newsletter, we list upcoming community events and we also have articles explaining what those activities are about in the event you would like to take advantage of them. There is information provided for the Neighborhood Watch workshop, the Halloween Open House, the Holiday Potluck, and the Holiday Golf Cart Parade.

We are lucky to live in a community which provides plenty of opportunity to network with others and also to contribute and be involved within the community.

Beginning Membership and Sponsorship Drive

Ozona Village Improvement Society (OVIS), functions primarily from funds obtained through membership dues and sponsorships. OVIS **membership** is \$20.00 annually and a **sponsor donation** is \$100.00 annually.

It is noted that if you are a Waste Connections of Florida (formerly Progressive Waste Solutions) customer, you will receive a discount if you have an OVIS membership. Also, if you are an OVIS sponsor, your business card is included in the newsletter and on the community website. The membership and sponsorship run from January 1 to January 1, but OVIS begins open enrollment in September to allow for the logistics of the program.

It should be noted however, that membership or sponsorship actually start from the time of enrollment (there is no delay effective date). The last page of the newsletter is devoted to an enrollment form or you can go to the OVIS website and enroll or renew there using Paypal. The website is www.ozonavillagefl.us.

Community Cleanup November 5

Mark your calendars for Saturday, November 5. This is the date for the next community cleanup in Ozona. This will give us a chance to clean the community up after Halloween trick-or-treating.

OVIS sponsors two cleanups in the community each year. One is done in May and the second is done in the Fall. Bob Fortner and Dave Ennis chair this effort and have done this for several years. On that Saturday, people will meet at the Village Hall at 8:30 in the morning to get started. People are encouraged to bring their golf carts since that does facilitate the moving around to destinations where cleaning is needed.

At the Hall, assignments are made along the various streets and the teams are sent out to do their work. Usually, this effort does not take much more than an hour to an hour and a half. We will have some coffee at the Hall to start things off with so everyone will have plenty of energy to start. So join us at the Hall on November 5 and let's keep our community clean. All ages are welcome.

The Denny Project

Pastor Jerry Edmonds, of the Ozona Community Church (previously, the First Baptist Church) is pleased to announce another service to the Village. Along with their food pantry, a community service initiative called the *Denny Project* has begun.

Most of Ozona was on a first name basis with Denny Herrick, whose name evokes memories of someone who loved and helped the Village whenever he could, however he could. By naming the project in his memory, the church is continuing his desire to help whomever they can, however they can.

To see how the church can help you, please call 784-3711. If they aren't able to help, they will work with you to find someone who can.

Next Large Trash Pickup Is October 19

OVIS has an agreement with Waste Connections of Florida, which is one of the companies that provide trash pickup in the Ozona community to provide large trash pickup. In addition to providing a discount rate to those households that are members of the Ozona Village Improvement Society, the company also provides a special pickup of large trash items on select days for its customers. The company performs two pickups each year. The first was in May of this year. The second large item trash pickup for this year is set for Wednesday, October 18. This is an opportunity to get rid of those larger items that are in your garage or possibly yard which require some special arrangements for disposal.

There are a few ground rules for this community pickup. The pickup includes furniture, appliances and items such as that, but does not include roofing materials,

hazardous materials, tires, or other car parts. Also, refrigerators and air conditioning units must be tagged by a licensed repair man that freon has been removed. Brush has to be tied in bundles of 50 pounds or less and be no longer than four feet. It is suggested that items be placed in front of your property for pickup the evening before since Waste Connections may come early for the pickups. The final point is that you must be a Waste Connections customer.

“Our Women, Our Places” Historic Exhibit at the Hall

The Palm Harbor History Museum is undergoing renovations. While work there is underway, museum items were relocated for safekeeping. OVIS agreed to house a special series of panels researched and developed by Museum Curator, Anne-Marie Nurnberger. These panels document the contributions of Dr. Susan Whitford, Daisy Ericson Riviere, Myrtle Scharrer Betz, and Winona Nigels Jones. Each of these women has a close connection to Ozona and to signature landmarks of our area. Once people saw these additions (which were to be temporary) it was proposed that a set of these panels be procured for permanent installation. The idea being that while people participate in events at the Hall, they can browse and gain insight into interesting aspects of our community history. Based upon this interest, Terry Fortner facilitated a proposal for a duplicate set of historic panels. OVIS agreed this is an excellent initiative and has approved this addition to our Village Hall.

Eagle Scout Continued...

letters that work. The landscaping is in and looks beautiful. The stairway project got complicated when it was discovered there was support beam deterioration behind the stairway landing. An interim stairway was constructed and installed while a fix-it project for the Hall is accomplished. The interim stairway made the project completed for the Eagle Scout project. Once the fix-it project is completed, a permanent stairway will be installed.

OVIS would sincerely like to thank Luke, his family, and his scout troop 26 partners for its significant and generous effort.

Art Show at Village Hall November 5th

A show with artwork by long time Ozona artist, Rober "RX" Boykin and Winter Haven artist Gale Gann is planned from 5:00-9:00 p.m., Saturday, November 5th.

Robert, who will be represented by his daughter, Linda, will have 25 of his impressionistic style oil paintings and Gale will have 30 of her realistic pen and ink, water color and acrylic pieces, all framed and available for sale.

The artists will bring their unique styles to landscapes, seascapes, florals and still life paintings.

Mark your calendars and come join in the fun! Snacks, refreshments and much good cheer are in store.

Linda in Action

Last month, an Ozona resident, in her late 80s, came in to the Post Office asking Linda for help. She had a female passenger in her car who claimed she had no where to go and needed help. Linda said maybe Rev. Bob's Unity Church could help, and she gave directions to the church. The elderly woman left the Post Office, and Linda quickly considered that something about the story didn't feel right. She stepped out of the Post Office to

Speak with the passenger, but by that time the car was already out of the parking lot.

Linda was concerned for the elderly person's safety. She asked her partner to cover her shift for a few minutes while she followed them in her own vehicle. The passenger in the car led our neighbor to an abandoned house on Myrtle Avenue in Clearwater. Disregarding any danger to herself, Linda parked her car and approached the vehicle. She told the passenger, who was on the phone at this time, that no one lived in the house and that she was calling the police. The passenger took off running and has not been seen since. Linda stayed with the elderly woman and helped to calm her while waiting for the police.

Linda's intuitive sense and quick action to help another very likely prevented a serious crime against one of our residents. This was a true act of heroism. We are so fortunate to have Linda in our community.

Post Office Boxes for Rent

As we all know, we have a local post office in Ozona. One of the features of a local Post Office, is having the opportunity to rent a box to receive your mail right in the community. One of the things that keeps our Post Office healthy is the revenue and level of activity we have with respect to the use of the mailboxes.

One of the benefits of a PO Box is that you don't have to worry about your mail sitting on the street while you are gone. You will have 24-hour access to it as well. You can receive packages and certified letters just like if you had street delivery. Going on vacation, no problem, they will hold your mail. There is also the social benefit of meeting others from the community while you are getting the mail.

If you are interested, just go to the Post Office and talk to Linda and she will fill you in on the details.

With that said, here are your rental opportunities:

Size 1

3"x5.5" - \$30.00 for Six Months - \$60.00 for 12 Months

Size 2

5"x5.5" - \$41.00 for Six Months - \$82.00 for 12 Months

Size 3

Trash Collection Options In Ozona

One of the benefits of being a member of the Ozona Village Improvement Society is that Waste Connections of Florida (company recently changed the business name from Progressive Waste Solutions) gives a discount to OVIS members.

To better understand the benefit, OVIS Treasurer, Jim Wiesner, did a survey of the companies that provide trash collection in Ozona. The survey results of the various trash services quarterly costs include the comparative pricing for twice a week pick-up (6-8 cans per pick-up) including recycling.

Of course, some of the trash services either don't have large garbage receptacles or charge you for the receptacles, but Waste Connections of Florida doesn't charge for those containers.

Below are the quarterly pricing, which gives the OVIS discount of at least a \$135.00 per year savings compared to other trash collection services in this area, with the exception of Superior Trash Service where the savings is at least \$80 per year (pricing quoted in September 2016).

*Waste Connections of Florida (formerly named Progressive Waste Solutions) – **\$52.00** (\$99.48 without OVIS membership discount + \$28.48 per quarter increase from 2015).

Waste Management – \$93 (\$15.90 per quarter increase from 2015 and fluctuates based upon fuel charges).

Solar Sanitation – \$94.50 (same price as 2015)

DisposAll – \$85.80 (\$5.70 per quarter decrease price from 2015).

Superior Trash Service – \$71.85 (no garbage receptacles or recycling; 3 cans maximum) (\$12.00 per quarter increase from 2015).

The comparison shows that Waste Connections of Florida is the overall best priced option for residential trash collection as an OVIS member.

Food Pantry in Ozona

The Ozona Community Church (previously the First Baptist Church) on Pennsylvania Avenue in Ozona operates a food pantry to serve the community. The food pantry is open on Tuesdays, 11:30 a.m.-1:30 p.m. where donations may be received.

For more information on this worthy program, you may contact Vida James, Church Administrator at 727.785.9320 or email fbcozona@verizon.net.

Halloween

at the Hall

This year, Halloween is on a Monday. As in the past, there will be many scary little and big characters walking the streets of Ozona. They will be trick or treating door to door. And as you know, it is quite common these days that golf carts are used to transport them and their booty. If you find yourself on Bay Street, stop by the Village Hall. It will be open that night for trick-or-treaters and there will be treats for ALL!

Rent the Village Hall

The Ozona Village Hall is a perfect spot for all different types of special events. For more information call Donna Green at (727) 741-2904.

Book Your Special Events & Family Reunions Today!

The Village Hall in Ozona is located on Bay Street and has served as the facility for community events over the years. The Hall is owned by the Ozona Village Improvement Society (OVIS) which uses the Hall for community events and meetings during the year.

In addition to that, OVIS does make the Hall available for rental for private events as well. While the Hall has a heritage and appearance of its vintage construction of 1900, the Hall does have the modern conveniences of central heat and air conditioning, restrooms and a kitchen area (without a stove).

Folding tables and chairs are also included in the Hall rental. The Hall rents for \$225 for a private event. If someone is an OVIS member, there is a reduced rate of \$175. If you wish to rent the Hall the contact information is available next to the photo above or on the OVIS website.

Holiday Golf Cart Parade Set For December 11

In accordance with the established tradition of Ozona, the Holiday Golf Cart Parade is set for the second Sunday of December (December 11). OVIS has agreed to sponsor the event and provide for the logistics.

Last year was the first year that OVIS did the sponsorship and organizing and it was a success and a learning curve.

This is a popular event for both the golf cart participants and for the people along the parade route. OVIS will submit the needed documentation for permits and process steps and following that will publish the resulting route map and specifics.

Mark your calendars and start decorating!
