

## Minutes of the October 25, 2021 OVIS Meeting

Those in attendance were: Brian Smith, Julie Longen, Jim Wiesner, Pamela Kelsch, and Sue White.

The meeting began with introductions – it was a small group.  
The September Meeting Minutes were approved.

Jim reviewed the expenses and revenues with the current balance is \$15,115.95.

Brian reviewed the golf cart parade documentation, which is set for December 12, the second Sunday of the month. He indicated that OVIS has the permit, event insurance, and agreement for deputy sheriff services. The total for these expenses was \$1,283.88. It was noted that the revenue from the event with golf cart fees are expected to cover these costs, so the parade would pay for itself. He is working on getting the sheriff's golf cart to lead the parade as in other years.

Jim reviewed the documentation on the website for the parade where the golf carts can register. Julie and Sue discussed the method for registration of the balance of the carts. They also discussed the location of the information table for the awards for the parade. Noting that Todd and Andrea are sponsoring again the awards, it was recognized there was the need for a meeting with them to work out the details. Julie indicated that Sage at the last meeting had volunteered to get gift certificates from the restaurants that would be part of the awards program.

Jim displayed the new event signs that would be located in the community announcing the parade. He also displayed the smaller signs that would be provided to the restaurants and other businesses announcing the parade. Pamela agreed to distribute those signs to those businesses.

Concerning the potluck for this December, Brian indicated he had talked with Connie and that the potluck was not recommended at this time. The group agreed and suggested that possibly a Spring potluck could be considered. It was also agreed to not have the Halloween Open House this year. Brian said that Bob and Dave are scheduling a Community Cleanup for Saturday, November 13.

There being no further business to take up the meeting was adjourned at 7:37 PM.
